

Create your own Penguin!

Step 1: Grab yourself a black toilet roll tube and a piece of white, black & orange paper.

Cut out a rectangle with one rounded edge out of the white paper (as above).

Cut two similar rectangles out of the black paper.

Then cut two triangles and a diamond out of the orange paper (as above).

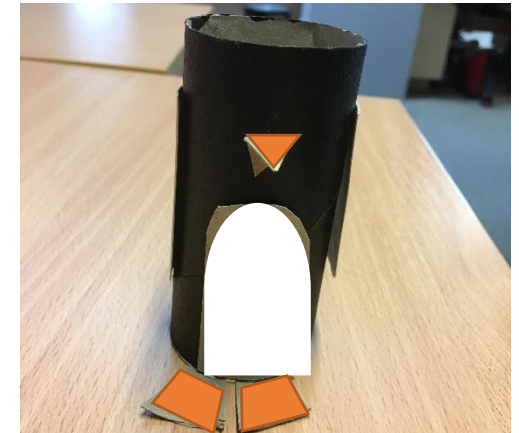

Step 2: Glue the white paper onto the tube with the straight edge touching the bottom

Step 3: Glue your black pieces of paper either side of your penguin with the round edge pointing down

Step 4: Fold your orange diamond in half and stick the bottom half above the white paper

Step 5: Glue your two triangles to the bottom of your tube, below the white paper

Step 6: Add two eyes and bring your Penguin to life!
